STEPPING TOWARD TOMORROW

Each new class enters our school with hesitant, stumbling steps. During our three year stay, we seniors have used various steps to gain confidence in the future. We shall present this series of steps which has enabled us to advance from a state of apprehension to one of assurance.

As sophomores our faltering footsteps led us over a new curriculum, meet new teachers and make new friends. Our junior year brought us a feeling of confidence and we became a more active part of Boulder High. Now, as seniors, we begin a new journey, not all traveling the same path but each one taking his own steps--steps leading toward tomorrow.

EXCITING YEAR OF 1966

The junior officers, president Scott Coburn, secretary-treasurer Annie James and vice-president Karen King were good representatives of their energetic class.

Leading the sophomores through their first exciting year were Cindy McCrum secretary-treasurer, Charlie Clark vice-president and Lloyd Hendrickson president.

AFS STUDENTS, SULE AND LINDA

The broader understanding of the people of the world is the goal of the American Field Service. Sule and Linda have furthered this accomplishment. They are both indebted to AFS for giving them the opportunity to share in this program.

Sule Zaloglu and Linda Husted

Sule arrived from Turkey last August to stay with her American "family", Mary Lou Lipstreu and her parents. Sule has been quite active at Boulder High. Her main interests have been Wanderers, IRC, Keyettes, Russian Club and Student Council. Sule visited other high schools in the area nearly every week to help with AFS fund-raising programs and said of all the schools she, "liked Boulder High the best." She added, "My own school is more academical and the students at Boulder High have more fun." Sule will graduate this June, return to Turkey this summer, and enter college in the fall.

When asked about her summer in France, Linda answered, "I lived on a French farm, 30 kilometers from Paris. The family I lived with spoke French, but the children knew some English, German, Russian and Spanish. The people don't portray the same image of France as the government does. They're very open to other cultures and are internationally minded. Because of the close family ties it's easy to become a part of a French family. It's an experience not only in French culture and language, but in sharing life with another family."

JAPANESE EXCHANGE COMMITTEE

The Japanese Exchange Committee developed from interest displayed by students and faculty members. Three proposals were presented by a representative of Tokyo Jitsugo High School (One of the eight wrestlers of the Japanese National Wrestling Team that visited Boulder High last year.). The proposals were, as follows:

- 1) Individual correspondence about club and school activities.
- 2) Summer exchange students.
- 3) Exchange of teachers and textbooks.

We then received an invitation from Tokyo asking for five students and one teacher for the summer of 1967.

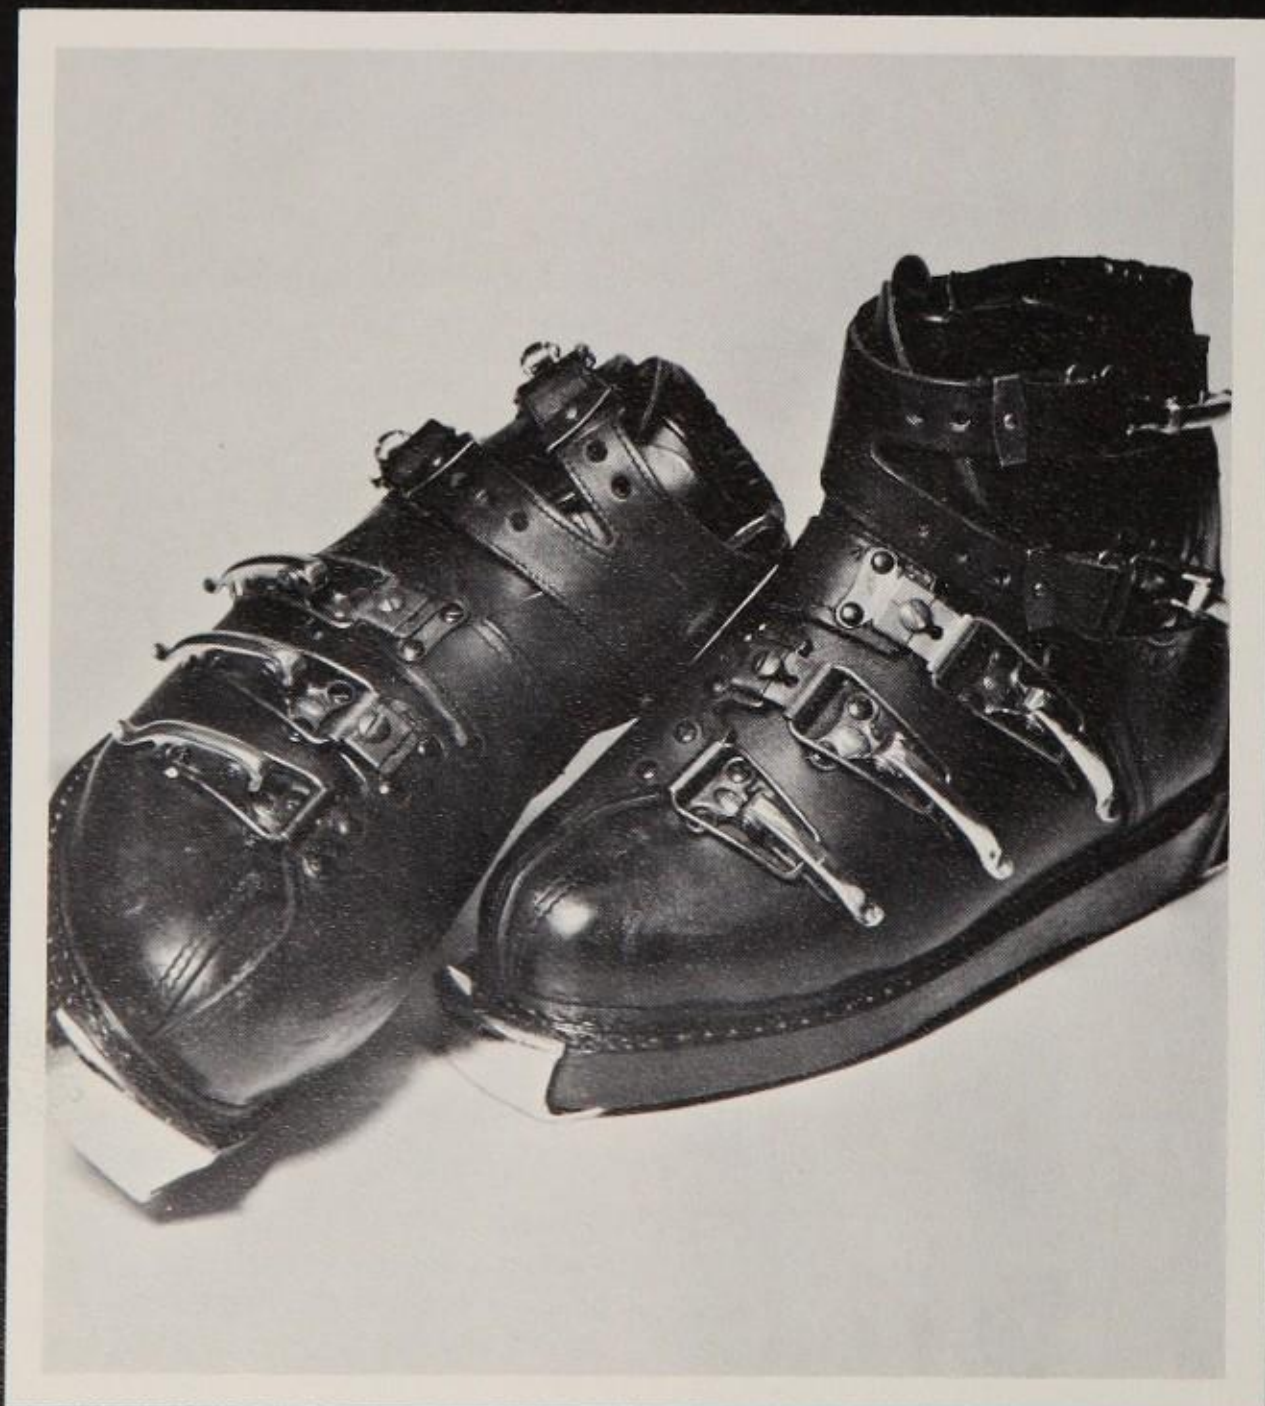

Sponsor, Mr. Williams and Chairman, Pete Welch did an excellent job of heading the Japanese Exchange Program in it's first year.

The Japanese Exchange Committee then went to work! They distributed the TOWN AND COUNTRY SHOPPER in Longmont, sponsored a dance, and petitioned different clubs to earn money so that the invitation could be accepted.

OWL's and ODAROLOC's were sent to Japan as part of the exchange and a Pen Pal program was set up. The officers of the Committee are: Pete Welch, president; Adele Jacobson, secretary; and Nonajean Pate, treasurer.

Members, Kathy Ludeman, Nonajean Pate and Becky Parkins discuss money-making projects at one of the JEC's weekly meetings.

Award-Winning Paper Continues Service

'67 Vodvil Revue, Lit Supplement Highlight Year

The Owl, Boulder High's award-winning weekly newspaper, continued its tradition of service to the school during 1966-67.

In 1966, for the sixth consecutive year, the Owl won All-American honors, the highest rating given in national competition for high school newspapers.

The George H. Gallup and International honors awards were presented to the Owl in 1966 by the Quill and Scroll society for exceptional service to the school and community.

The Owl published its third annual literary section this year. The section, "Of Wisdom and Folly . . ." was published in the special Christmas edition of the Owl.

The Owl staff produced Vodvil, its yearly all-school talent show, March 16. The spring production, traditionally featuring outstanding Boulder High performers, provided funds for publishing of the Owl.

The Owl staff is composed of members of the Journalism II class, which meets daily.

Mrs. Joanne Arnold, journalism teacher, is Owl adviser.

Janet Burbridge, editor; Mrs. Joanne Arnold, adviser.

In second place was the WEST 16TH STREET JUNK BAND AND MISCELLANEOUS. In the talent division, first place went to Eric Saunders for a classical selection on the piano; second place was awarded to Chuck Wolzien for classical guitar.

B-Club Promotes Sportsmanship

B-Club, Boulder High's letterman's club, encourages all athletic minded students to participate in varsity competition and to promote sportsmanship and leadership. Scholarship is also stressed a great deal.

With money gained from the annual candy sale, the club donated money for the new score boards, the trophy case to be built in the gym lobby, and the cheerleaders. Social activities of the club included a semi-formal dinner-dance held at the Lamp Post and will end with the annual Red Mill dance and helping with the letterman's banquet. The club also presented a clever rally for the student body.

Serving as officers first semester were: President, Phil Irwin; Vice President, Murl Hendrickson; Secretary-Treasurer, George Clark. Second semester officers were Ken Iten, Murl Hendrickson, and Tom Hutchinson, President, Vice-President, and Secretary-Treasurer, respectively.

Defense has always been a strong factor in Boulder High's winning tradition. Here Jens Husted stops a Fairview player.

Good hard gang tackles win football games.

PANTHERS GR R REAT

Tension mounts among the Panthers minutes before game.

Head coach Emerson Wilson has once again produced a fine football team this year, but injuries and bad luck dropped the Panthers to a disappointing third place finish in the conference with a 7-3 overall record.

The Panthers opened the season with a 13-7 victory over Lakewood, becoming the only team in the state to defeat the Tigers three consecutive times. Quarterback Bill Parquette suffered a torn cartilage in his knee in the final moments of the contest, and was benched by the injury for the rest of the season. Without a leader, the Panther offense floundered while Boulder dropped three consecutive games.

Senior co-captain Steve Crouch took over the quarterbacking duties in the fourth game and the Panthers started on the long road to a comeback.

At midseason, an article in the Denver Post mentioned that Boulder had developed into "one of the best, if not the best football team in the state."

Senior fullback Phil Irwin (33) did a fine job both as a blocking and running back this season. Here he uses his talents to spring Steve Crouch against Littleton.

SEASON UNDER FURMAN

As the only junior on the Varsity and playing number 5 singles, Fred Olk played well enough to compile a 9-3 record in league action.

"Ugh! Gawd this takes a lot out of a guy!"

Number three man was sophomore Joe Capps. He had the best singles record at 11 wins and only 1 loss at Aurora Central.

Joe shows the concentration that helped him compile the best record on the team.

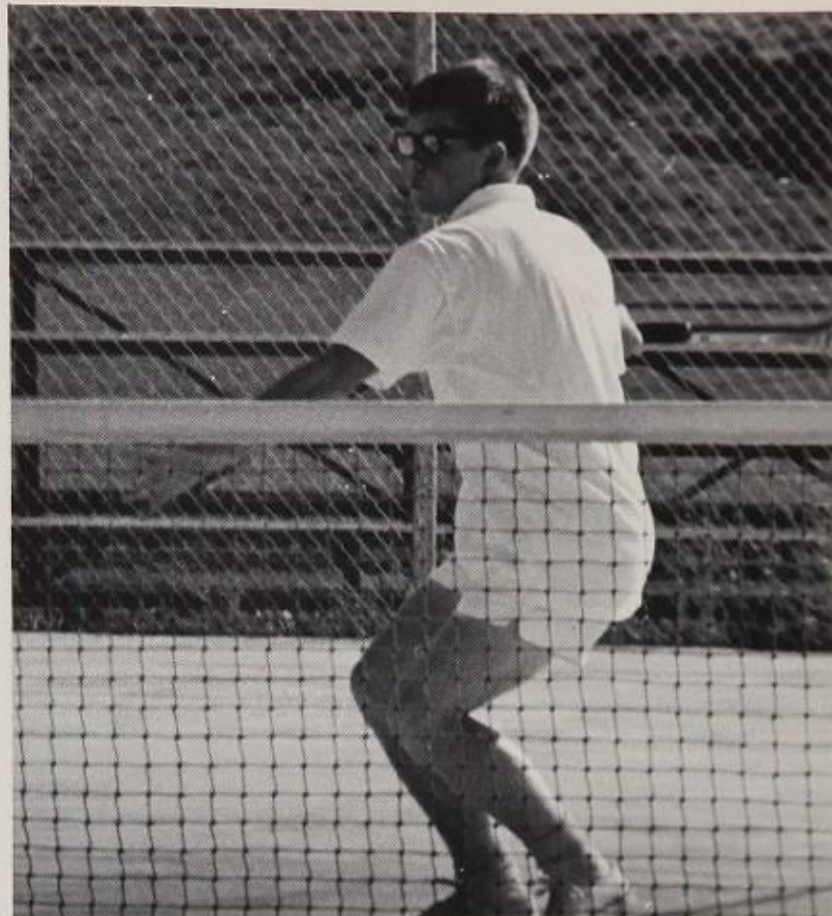

Senior Chuck Kalk shows off the "best form" on the team. Charlie had a 9-3 record in number 4 singles, and a 4-1 mark in doubles with Joe Capps.

STRENGTH, DEPTH, SPEED, POISE...

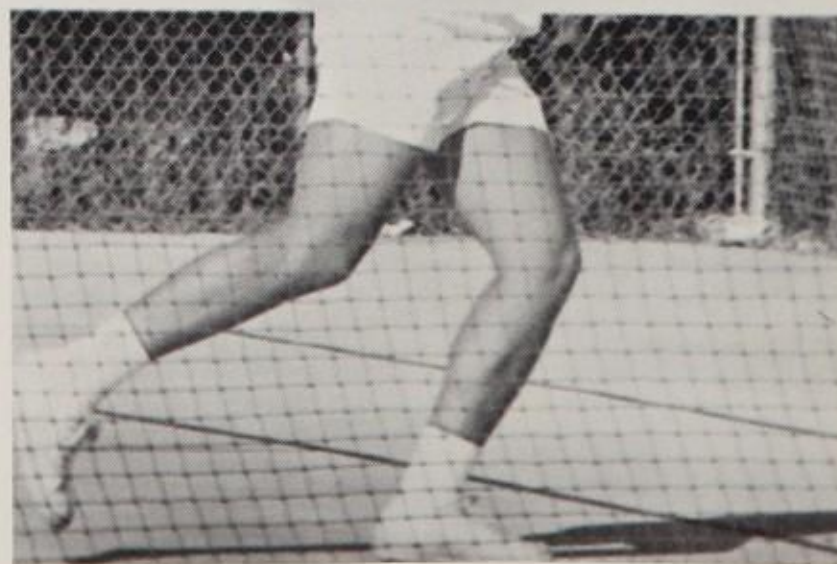

"Ace! Another point for Capps."

Tim Capps played number 2 singles his senior year while also racking up a 9-3 record. Tim also placed in state competition, enabling Boulder High to finish ninth.

Junior Dan Hauser, playing JV, looks for more action next year.

Another Junior Varsity prospect for next year is Eric Park.

SECOND IN LEAGUE, NINTH IN STATE

TIM CAPPS

Under the leadership of these four seniors, the BHS racketmen finished second in the league race, and also placed ninth in the state meet. Pete Welch and Craig Yager (below) played number one doubles with sophomore Joe Capps and accounted for one of Boulder's two points in the state meet. The other point came on Tim Capps' work in singles.

CRAIG YAGER

Mr. Furman states that his hopes for next year are excellent with the return of his 1,3,5, singles players and other members of the JV team. This includes Eric Park, Dan Hauser, Dan Violette, Scott Coburn, Jeff Roulliard, Rich London, and Theo Mandel. There is also a promising group of Freshmen who will be coming up.

Our congratulations on a fine year!!

PANTHERS FINISH

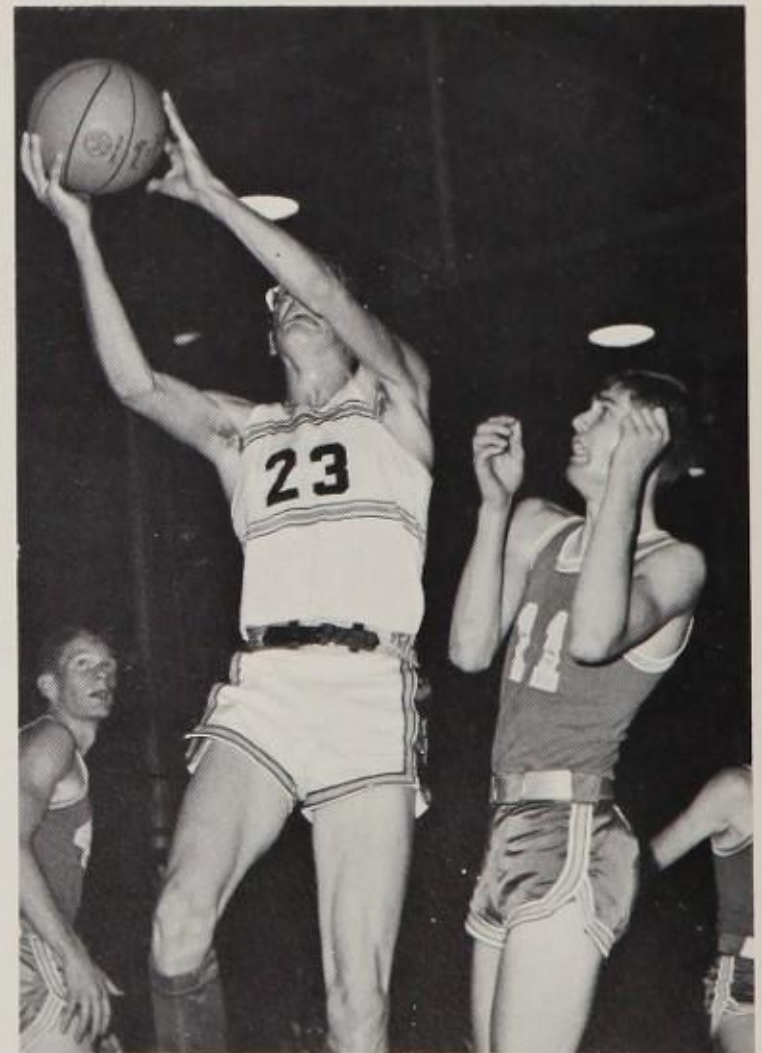

The Boulder Cagers last year's Centennial League title holders and state consolation champions, finished the year with a disappointing 9-9 record. The Panthers looked like winners at the beginning of the season, staying even with Manual, defending state champs, and Greeley Central, one of the four finalists in the state contest and fell by only a two point margin. The Panthers stayed in contention in the frenetic Centennial race up until the very end of the season, and still had a shot at the title with only three games left. At this point the cagers dropped a heart breaker to Aurora Central, the eventual league leaders.

Senior Phil Irwin was one of the Panther's outstanding rebounders.

Jimmy Rhoades, Boulder's only all league choice, stretches for a rebound.

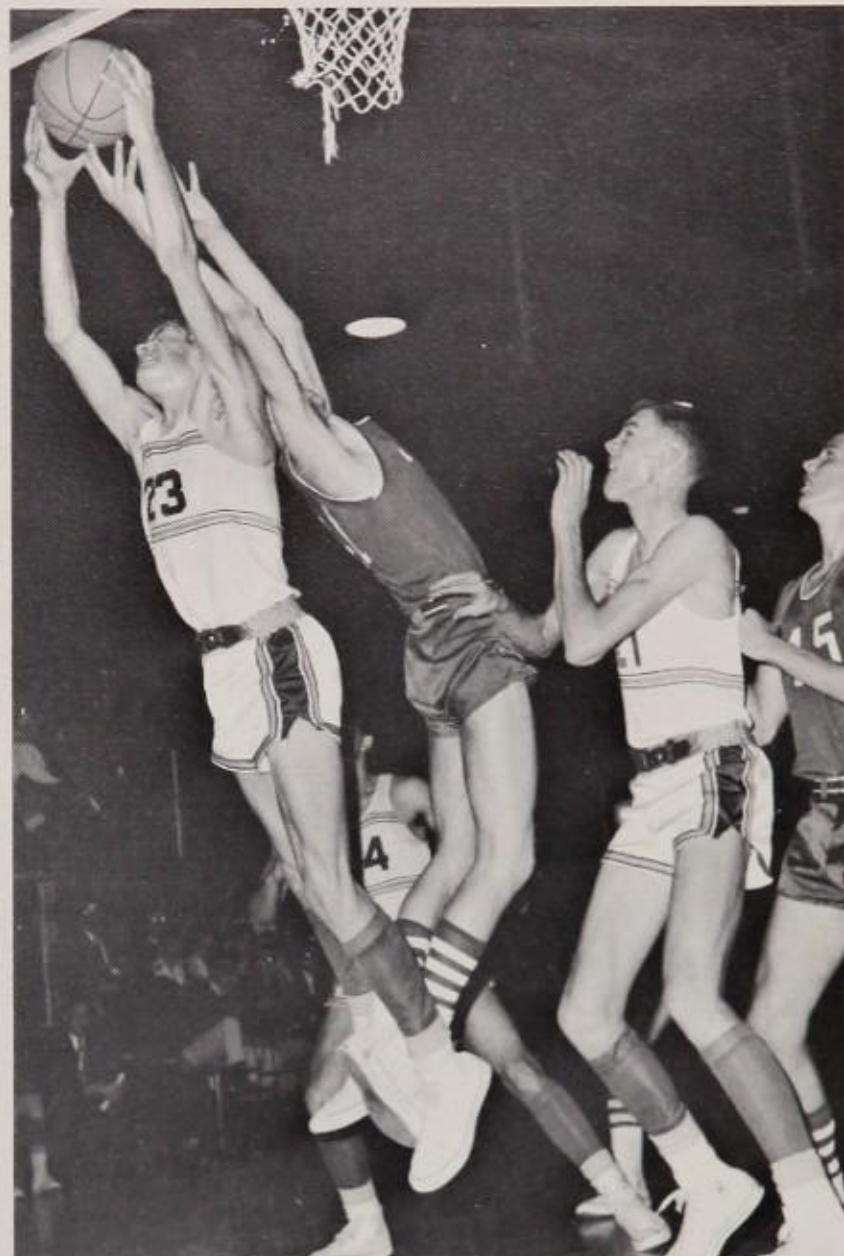

Junior George Clark started as a sophomore, is considered as a top prospect for next year.

DISAPPOINTING FOURTH

"Well gee, I guess you can have it if you really want it."
Dave Atherton.

Junior George Clark strains for a rebound as Jimmy Rhoads and Larry Allen look on.

"Wow, you do need a man sized deodorant"
Larry Allen

Hampered by injuries throughout the season, Coach Cumming's defending league champions slipped to second-to-last in the conference with an overall record of 2 wins 12 losses, and 1 tie.

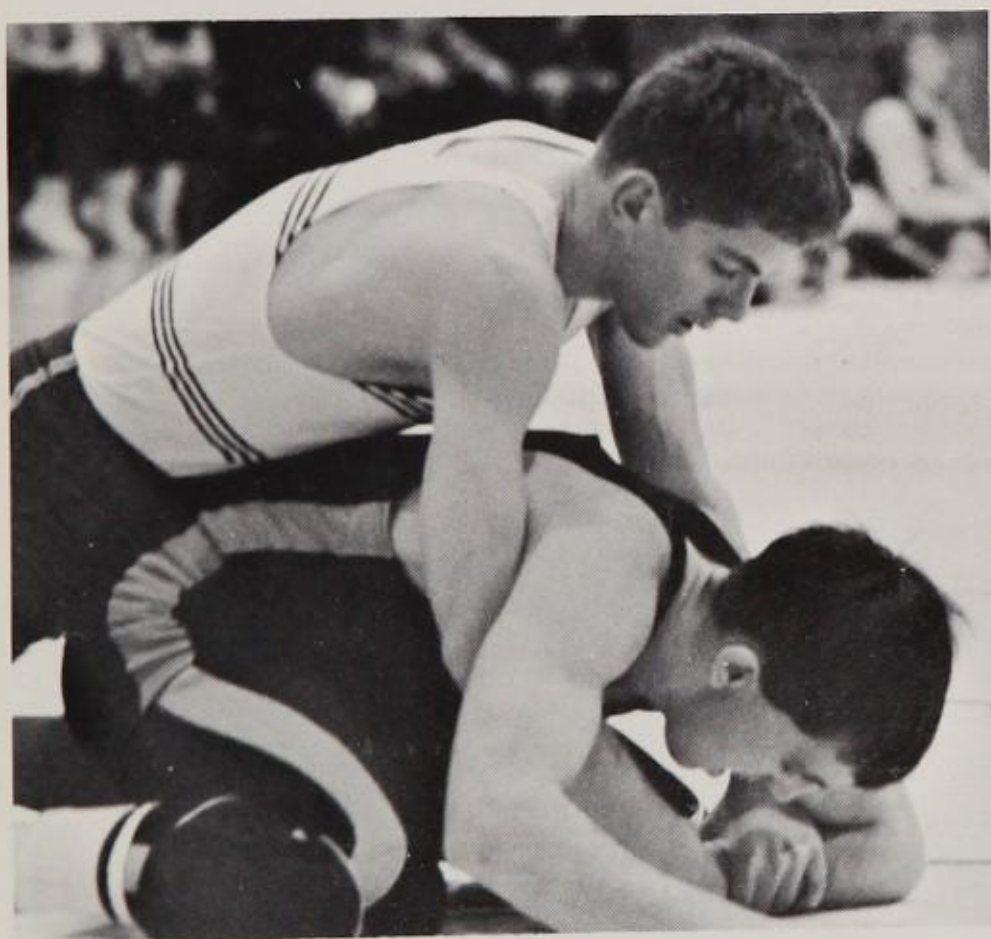

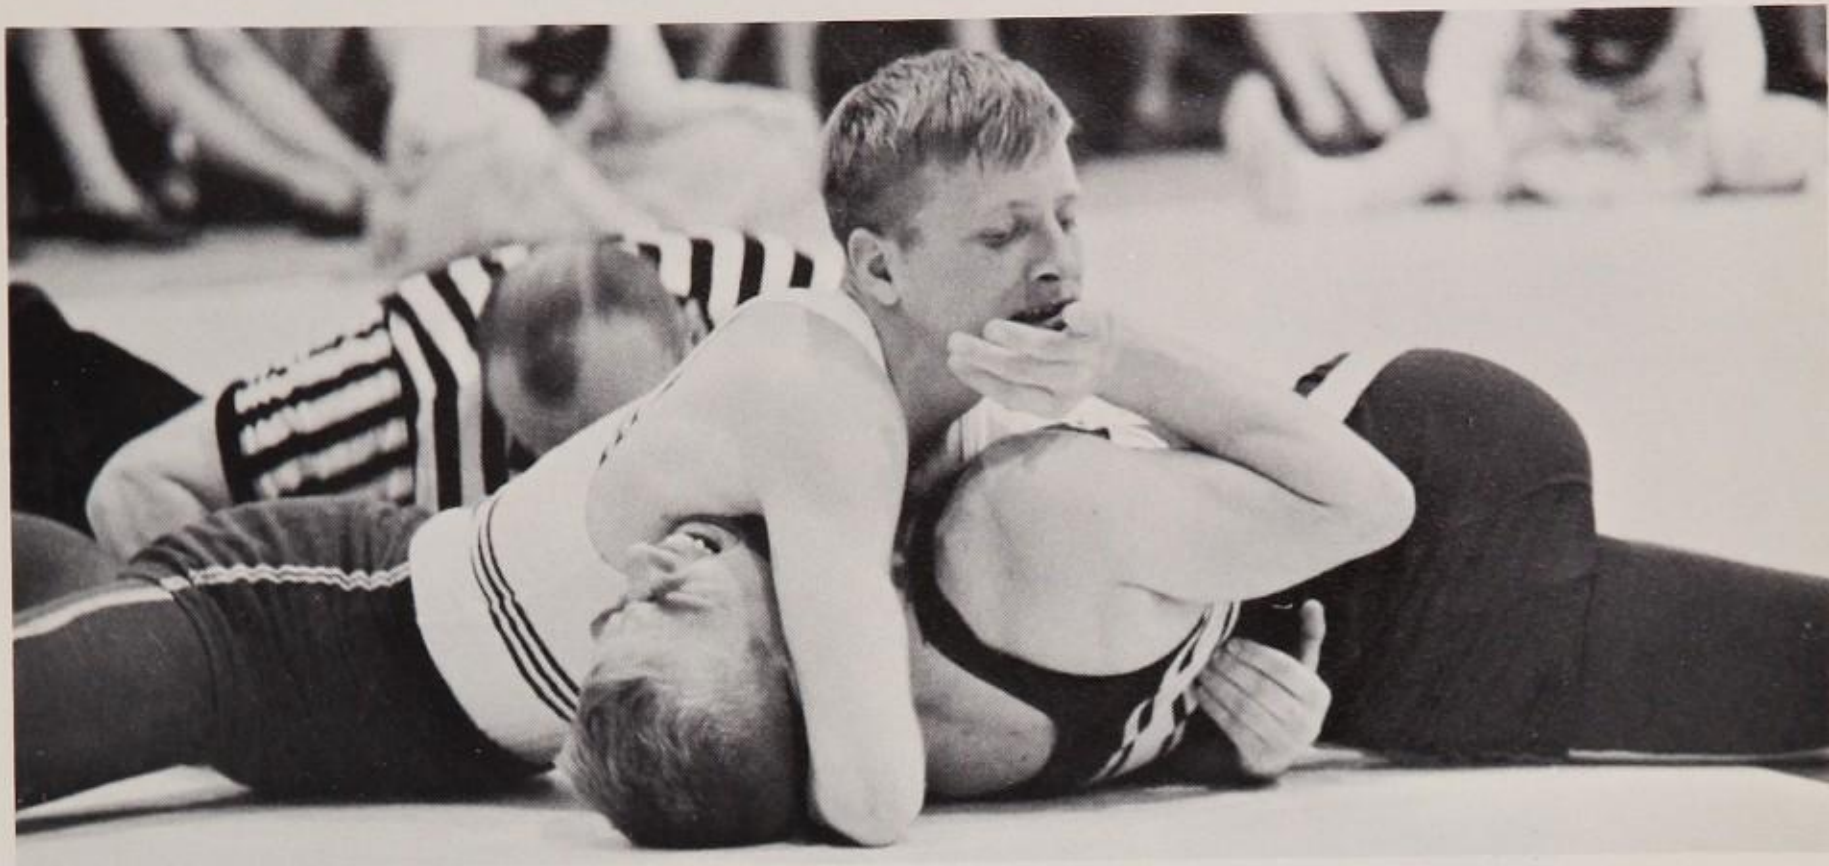

Injured much of the season, Senior Jim Gonzales fought back to take the consolation title in the state tourney in the 120 pound class and finish the season with a 12-3 overall record.

Senior Terry Clymer gains control over a league opponent. Terry was injured part of the year and only won one against seven losses, and two ties.

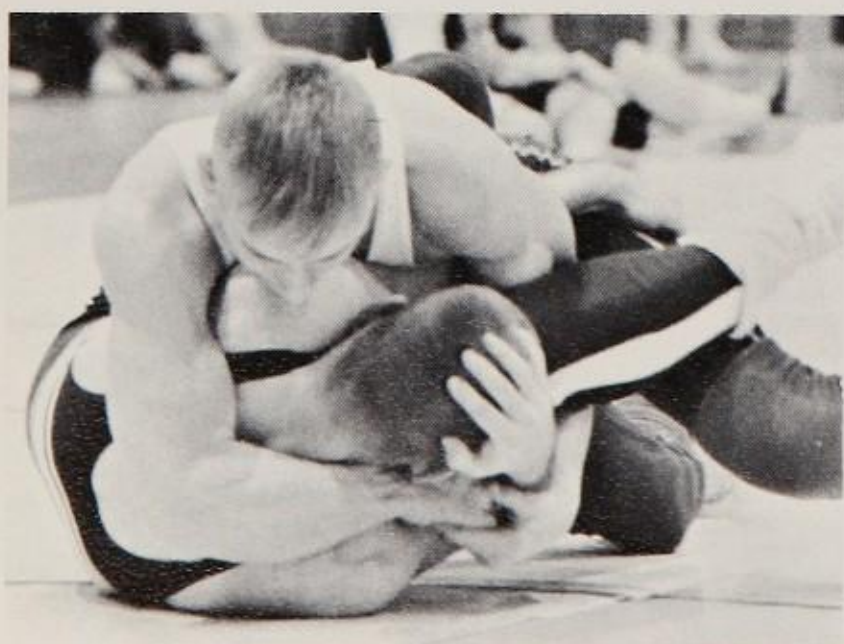

"Now what do I do?" Jim Gonzales.

Junior Greg Fairbairn gets a half nelson on an opponent in route to win.

Senior Tony Madrigal looks for the ref's pin signal. Tony compiles one of the best records of the team at 9 wins, two losses and a draw.

SWINGING ALONG

Under the direction of Coach Wally Schneider, the golf team will be out to match last year's fine performance. Although the golfers last year managed a third place conference finish, they easily swept the district meet and placed fifth in the state.

At the district meet, the four man team of John Hutton, Bill Herbstreit, seniors last year, and juniors Murl Hendrickson and Charlie Kalk set a state record of 303, bettering the old mark set by a Panther team including the legendary Hale Irwin and Dick Anderson in 1963.

In addition to returning lettermen Hendrickson and Kalk, Schneider also has at his disposal Gary Cartwright and Chris Mauer, two juniors who saw regular varsity action last year as onies, and seniors Jimmy Ryan and Gary Winterberger, both of whom carded surprisingly low figures in qualifying at the beginning of the season.

Charlie Kalk

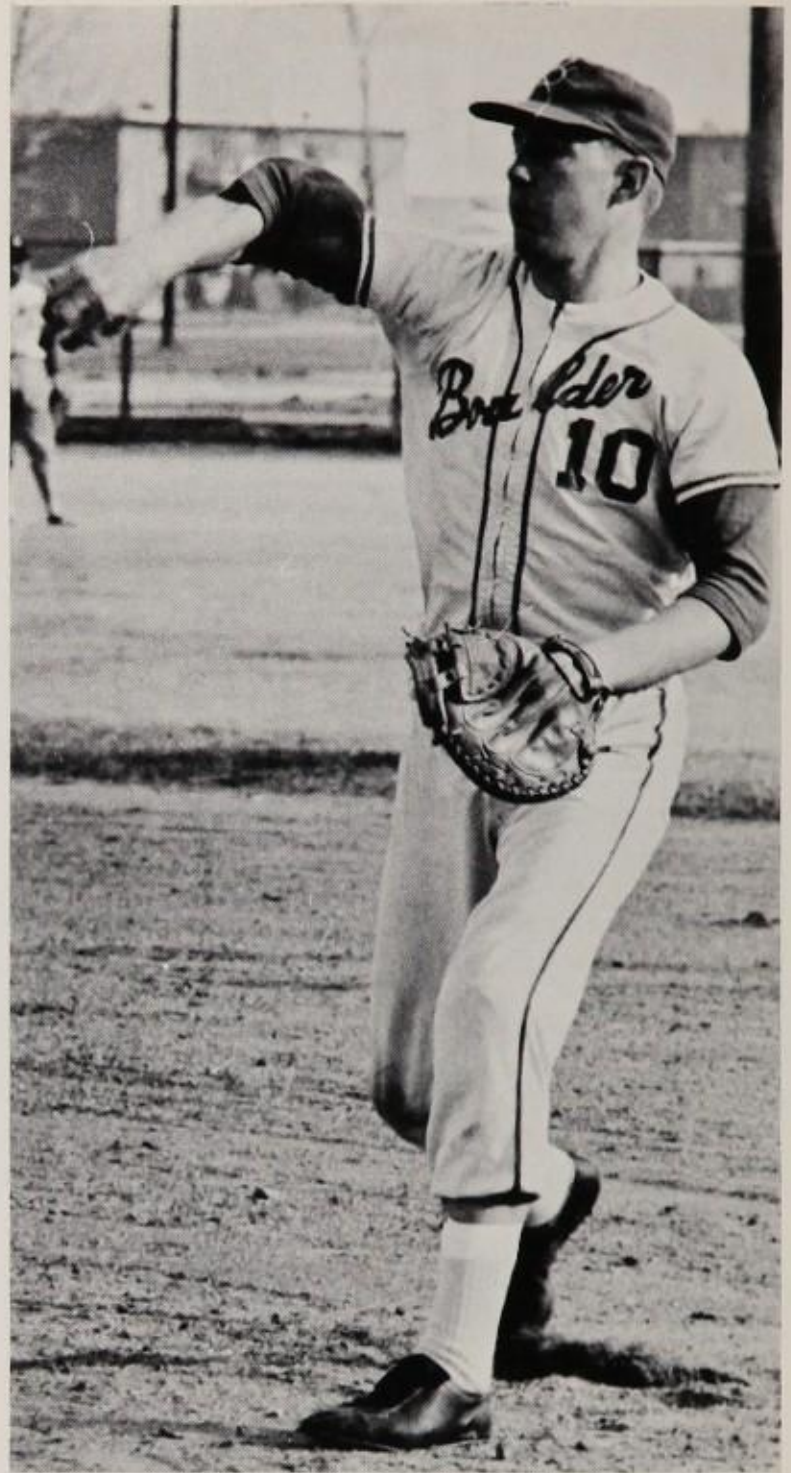

Golfers looking for a varsity position include, Row 1: Jim Ryan, Charlie Kalk, Chris Mauer, Gary Cartwright, Gary Winterberger, John Tripp. Row 2: Murl Hendrickson, Steve Wigatow, Scott McCaffery, Jamie Autrey, Brad Winstead, Steve Birmingham, and Jim Marbry.

SENIORS LEAD FINAL YEAR

Jay Gould--President

Bill Lowry--Vice-President

Linda Dimit--Secretary-Treasurer

The Class of 1967 began its final year with the traditional Senior Fry at Chataqua. They planned the St. Nick's Day program and hosted a tea for alumni, faculty and seniors following the program. Together with the Junior Class, the Seniors organized the annual Junior-Senior Prom. Senior Week activities were the final highlight of the year, climaxed by graduation ceremonies.

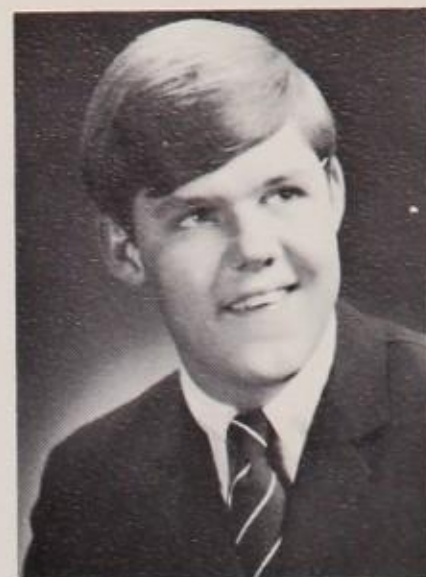

The Senior Class wishes to extend its gratitude to its sponsors--Mr. Geiger, Mrs. Hoffman, Mrs. Pfannenstiel--for a very memorable year, one they will never forget.

A black and white photograph showing the silhouettes of two graduates in caps and gowns. They are standing outdoors, with a building and bare trees visible in the background. The lighting is bright, creating a high-contrast silhouette effect. The graduates are positioned in the center of the frame, facing slightly to the right. The building behind them has a series of windows, and the trees are without leaves, suggesting a late autumn or winter setting. The overall mood is contemplative and hopeful.
